

Young Chefs Academy teaches children the joy of cooking in a kid-friendly and safe environment. Budding chefs will learn the basics of cooking while participating in the preparation of real recipes that they get to taste at the end of each class. Students will also learn safety, etiquette, math, science and more!

Open House/Workshops

Not the same old thing! Holidays and school breaks are a great time to visit your local YCA! We might be investigating the rations in the galley of a pirate ship, tasting the fare in a Royal Banquet or even experiencing the provisions aboard the Space shuttle in YCA mini-camp to enjoying holiday delights during a fun-filled workshop!

Workshops and Mini-camps may also incorporate a correlated craft. Visit the website to view upcoming events at your local YCA!

Camp Can-I-Cook®

Whether it's Summer, Spring, Winter or Fall YCA has new and exciting cuisines to discover. You could be exploring unique recipes from the seven regions of the United States to exotic

culinary delights from across the seas or even savoring the many holiday creations and traditions while learning interesting and fun facts!

Each Mini-Camp is packed-full with fun, activities and best of all culinary creations that will have your little chef drooling with delight!
